Good afternoon Kerman High School family

Tomorrow is the start of the 2019-2020 school year, we are ready and excited for the students to arrive. Tomorrow will be an early release day with students attending all periods. Thursday and Friday will be regular days with students attending all periods.

Tomorrow is our Kick Off Day for the school year. Teachers will have lessons throughout the day to connect with their students, build school culture and kick the year off on a positive note. It was originally called a “no backpack day”, students can bring their backpacks and supplies for the day. Sorry for the confusion. The first class will begin at 8:00 am, we encourage students to enter through the entrance of the new building on the southside of the campus.

Tomorrow night is also our back to school night, it will begin at 5:30 pm in the Multi-purpose room. We will have a short program and then parents and students will be released to go through their students daily schedule and meet the teachers.

We look forward to an amazing and unforgettable school year and it is a pleasure to have your student attending KHS.
