# Gobble Give

## THINK FOOD DRIVE ON STEROIDS

Hemet USD is a Title One district, therefore we have a lot of families in need.

This year, ASB coordinated with community outreach through our principal, Mr. Workman, to bring our food drive to that next level.

Students had tiers of donatable items, ranging from a handwritten letter of thanks to be given to a veteran at a senior living facility, to donating a whole Thanksgiving meal.

## THE OUTCOME?

We had two truck loads of food donated to a local family restart shelter, PLUS I had to fill my car with things that we forgot about in our ASB room...

Over 30 turkey dinners were given to families in need at our school.

Two boxes of letters donated to veterans.

In partnership with: Stater Bros, Operations Gratitude, Riverside Sheriff Department, Valley Restart, Soboba and the DVMS community.

### Diamond Valley Give Back Day

As a part of building community belonging and responsibility, DVMS is encouraging families to support the "Diamond Valley Give Back Day". Students/Families can support in many ways including:

1. Write a "Happy Thanksgiving" letter to a resident at a nursing home
2. Donate a "non perishable" food item, like canned goods to be given to Valley Restart shelter
3. Purchase a Thanksgiving dinner from Stater Bros that can be provided to a DVMS family in need
4. Provide a Monetary Donation for the school to purchase meals for students in need

Students who participate will get:

- 1 of the above = "Free Pass" from running the trails.
- 2 of the above = Field Day, Jumpers @ DJ
- 3 of the above = Field Day, Snacks, DJ and Mile Pass

Make a Difference! **DONATE**

We are asking that you drop off items November 18-22

**DROP OFF LOCATION:**

# Combine and Conquer

ASB gets "clique"y and isolated...

We have our PLUS (Peer Leaders Uniting Students), YIC (Yes I Can), and ASB students join forces and support one another's events.

- ⊗ ASB helped with PLUS's Suicide Prevention presentations
- ⊗ PLUS helped ASB with our back to school Pep Rally
- ⊗ ASB helps YIC with our annual SpEd hockey tournament

Ask for help! Reach out to other leadership groups on campus!

ASB was overwhelming for me last year and I wanted to quit. Then I asked other groups on campus to help out!
